Looking for the whole story?

Are the international banks about to crash the market as they did in 1929 then buy up property pennies on the dollar? Did you know Congress was threatened by Martial Law if they did not pass the bailout which has now stolen more than 8 Trillion of this nations money (more debt) to the hands of foreign banks and congress doesn't even know who.

Who else is reporting on the story of the 100-year media control by the CFR & Federal Reserve International banks? The entire history of the United States is power and control by these banks.. Have they now succeeded due to a sleeping public entertained with an agenda of side events, distractions and ball games?

You will find the answers only on Liberty 1640AM – A truth media project spreading across the US which started right here in Sioux Falls.

Jefferson, Jackson, Lincoln, Garfield and Kennedy all battled the banks and tried to warn future generations of their quest for total world government and control. How are they doing this? Listen to 1640 to find out.

We report unfiltered news not regulated by the corporations who control the mainstream television, radio and print.

Just listen to three of our shows We recommend Alex Jones 11AM to 3PM (replay at 9), The Power Hour 7AM to 10AM or Alan Watt at 7PM for starters.

This is a truly grass roots radio system following the FCC's Part 15 low power AM station rules. We are not a commercial station. We are not an illegal pirate station. We are the station with the purpose of helping neighbors to get into the mode of defending and learning about our Constitution and the danger of the rising corporate power over law, the police state, elimination of the free market, medical choices and even your Bill of Rights.

If you tune in please drop us an email at liberty1640am@live.com and enter our drawings for a free copy of The Money Masters which is a 3.5 hour documentary of the control and power of the banks (money changers) coming dangerously close to achieving their one world government they call "The New World Order".

If you read the international news you would see on a daily basis various figures (Kissenger, Gordon Brown, David Rockefeller, Sbignew Berzinsky, the list goes on) meet in these world conferences demanding on a world currency/central control. See how this ties into problems right here all the way down to your local level through corporate control. The information we have lined up on Liberty 1640 Sioux Falls will empower you!
